- I understand and acknowledge that the Pittsburgh Chinese School (hereinafter “PCS”) is committed to providing its students with effective web-based tools and applications strictly for educational purposes. These tools and applications may include but are not limited to Zoom which are operated by third-party services. In order for PCS’s students to utilize these tools and applications, personal identifying information may need to be provided to the third parties services that operate these tools and applications. Under the Children’s Online Privacy Protection Act (COPPA), these web-based tools and applications must notify parents and obtain verifiable parental consent before collecting this information from children under 13 years of age. In addition, under this law, schools are permitted to consent to the collection of this information on behalf of its students. This eliminates the need for individual parental consent given directly to each website or app provider. Additional information regarding COPPA can be found at <https://www.ftc.gov/tips-advice/business-center/guidance/complying-coppa-frequently-asked-questions>.
- I give my consent for the above-name student to use the web-based tools and applications in the context of PCS classes and for the collection of personal identifying information of the above-named student that may include first name, last name, username, birth date, and, if applicable, email address.

• 本人理解并承认匹兹堡中文学校致力于为其学生提供有效的严格用于教学目的的网络工具与应用。这些网络工具与应用包括但不限于 Zoom，都是由第三方服务商运营的。为使中文学校的学生能够使用这些网络工具与应用，有些学生的个人信息必须被提供给运营这些工具与应用的第三方服务商。根据儿童在线隐私权保护法（COPPA）的规定，运营这些工具与应用的第三方服务商必须告知家长并获得家长同意才能收集十三（13）岁以下儿童的个人信息。该法律允许学校代表该校学生同意运营这些工具与应用的第三方服务商收集信息，这样免除了每一个网站或应用都必须单独征得每一位学生家长同意的需要。关于 COPPA 的更多信息可以在下列链接中找到 <https://www.ftc.gov/tips-advice/business-center/guidance/complying-coppa-frequently-asked-questions>。
